Acting Head Teacher
Amy Watson BSc, PGCE

Dear Parent/Carers,

At Birklands we are passionate about nurturing a love of reading in every child. One of the ways we do this is with the **"100 books to read"** initiative. By offering a wide and exciting range of books in our classrooms and school library, children can find something that engages their interests and encourages them to read more consistently in their daily life.

To sustain this collection, we rely on the help of parents and children to take care of the books that are taken home and to return them once they are finished. After reviewing the books that have been returned at the end of the last school year, we have found that we are missing over 40 titles from the year 3 and 4 corridor. While we understand that books sometimes get tucked away at home or borrowed with the best intentions, we'd be grateful if you could take a moment to check with your child and have a look around at home. Even one or two returned books can make a big difference for the whole class. Please see the book list attached.

Thank you for your time,
LKS2 Team.
