

Dear Parent/Carers

We would like to welcome our Nursery children back from Monday 29th June.

The room has been prepared to comply with the most recent guidelines, along with advice from the Trust and we know it will look very different from what the children are used to.

Mrs Wesley will plan provision that meets the guidelines and allows as much social distancing as is possible with nursery children.

We would like our Nursery children to be in school **in a morning**, from **9.15am until 11.15am**. Initially this will be for **two days a week** and will hopefully build up depending on how the children settle. Please note at this time we are unable to identify which two days your child will be in, as this is dependent on the number of children returning.

As mentioned previously we are currently not allowing any parents onto the school grounds. This new approach began on Monday 1st June and will affect all parents. At the main school gate, your child will be met by myself and Mrs Hughes, where they will have their temperature taken and hands sanitised. Mrs Wesley will then take the children through to the nursery area.

Additional information you need to know:

- Children will not be required to wear their uniform. They will need to be wearing a clean set of clothes each day
- All children will be required to bring their own water bottle
- Children will need to bring a morning snack, that they can open themselves
- Staff will be issued with PPE and will wear this if they choose to
- Children will be required to wash their hands frequently while in school

In order for us to be fully prepared for the number of Nursery pupils that will be returning on Monday 29th June please complete the parent survey by 11.00am on Wednesday 24th June. The link is below

Once we have confirmation of numbers we will contact you regarding the days your child will be in school.

If you have any questions you can contact us via our website or give us a call.

Stay safe and positive.
