

Dear Parents and Carers,

We are writing to share some information about our new UKS2 homework policy, which will begin this week.

Homework plays an important role in reinforcing learning that has taken place in the classroom, helping children develop independent study habits and supporting long-term retention of key knowledge and skills. We greatly appreciate your support in encouraging your child to complete their homework each week to the best of their ability.

Homework will be set every Thursday and should be returned by the following Tuesday. For example, homework set on Thursday 8th October should be returned by Tuesday 13th October.

Children will review and mark their homework with their teacher in school. This provides an opportunity to address any misconceptions, celebrate successes and identify areas where additional support may be needed. The information gathered will also help inform future teaching and ensure that learning is tailored to meet pupils' needs.

Year 6

- Year 6 pupils will receive three CGP books: Maths, Reading and Grammar, Punctuation and Spelling.
- Each week, pupils will be set one task from each book, resulting in three homework tasks per week.

Year 5

- Year 5 pupils will receive a homework exercise book containing weekly Maths and English activities. This will result in two homework tasks per week.

If your child is finding a particular question challenging, please encourage them to ask their teacher for support. Alternatively, you are welcome to contact your child's teacher via email so that we can provide any additional help required.

Thank you for your continued support.

Yours sincerely,

The UKS2 Team
