

Newsletter 17-11-2021

Dear Parent/Carers

We cannot believe we are already into our third week of this half term- doesn't time fly when you are enjoying learning and being at school.

Remembrance Service

On Sunday a group of our year six children had the honour of reading out their very emotional poems at Warsop's Remembrance Service. We were extremely proud of how confident they were while public speaking. Cliff Meredith, from the British Legion has shared with the school how complimentary comments were after the service.

On our behalf we would like to take this opportunity to thank Lahni Mellors, Angel Chadwick, Cody Longshaw, Ryan Dring and Lilla Rick as well as Miss Watson and Mrs Henderson.

Uniform and PE Expectations

A polite reminder that **all children** should be in correct uniform and PE kit at all times. Our uniform consists of:

- white shirt or white burgundy polo shirt
- burgundy cardigan/sweatshirt or fleece

For girls:

- black or grey skirts, trousers or dresses
- red gingham summer dresses

For boys:

- black or grey trousers shorts

Black shoes should be worn by all our children. No trainers allowed (unless it is a PE day).

We expect all children to wear black shorts or grey/black joggers and a white/burgundy t-shirt for their PE lessons. **Football shirts or other sports wear is not allowed.**

If hair is long enough to be tied up it should be on PE days please.

When earrings are worn in school, they must be small, round studs. No other jewellery is permitted.

Children in Need

Don't forget that Children in Need is taking place this Friday 19th November. The children will be taking part in a non-stop danceathon with all classes taking a turn to dance. We are asking for a donation of £1 per child and for children to come wearing a Children-in Need/Pudsey themed top along with normal school uniform. Please don't send your children in superhero outfits on this occasion as we have something special planned for December.

Ventilation

A reminder to all that COVID is still very much with us in the community and in school. To help keep everyone safe, we will be following Government guidelines and keeping windows open to ensure classrooms are suitable ventilated. With this in mind, please ensure that your child comes to school wearing layers so that they are able to maintain a comfortable temperature whilst in class.

Parking

Please remember to be considerate of our neighbours when dropping off/collecting your children. We know it is difficult to park at busy times, but please remember that our neighbours need access to their drives at all times. They too have appointments and it is very frustrating for them when they cannot get off their own drives, especially in emergencies.

Flu Vaccinations

A reminder that these are taking place on November 30th in school. Children **will not** be given a vaccine if you have not consented **online**. We cannot take verbal consent over the phone, or written consent via a letter. Even if you do not wish your child to have a vaccination you must still go online and decline consent. Please use the link below to access the site.

Visit date: TUESDAY 30th November 2021 School code: NG140659

NCMP (National Child Measurement Programme)

This will take place in the Spring term for children in Year 6 and Reception. Information has already been sent out but if you need this again, please let the school office know.

The greatest legacy
we can leave our children is
happy memories.

Mrs C Smith (Head of School)
